Two Ways to Book a GoLink Trip

1. With the GoPass® app

- Select “Plan” within the app and enter your current location and desired destination. If GoLink is available for your trip, it will show as an option in your planning results.
- Choose GoLink to proceed with your booking.

2. By calling 214-515-7272

- Reservations are accepted 4 a.m. – midnight daily.
- Only same-day trips are accepted.
- For the Inland Port Connect zone, call 877-631-5278.

Two Ways to Pay

Your GoLink trip is covered by a valid contactless DART fare purchased using one of these forms of payment:

1. Credit or debit card

2. GoPass® Tap card

To receive the best fare, use the GoPass app or a GoPass Tap card. You can link your GoPass Tap card to your GoPass account in the app. When paying with a GoPass Tap card, each rider must have their own card.

GoLink does not accept cash fares, paper passes or vouchers on board. Riders that book with a credit or debit card with a GoLink reservationist will be issued a GoLink one-way fare.

To learn about available fare types, please visit **DART.org/fares**.

GoLink vehicles come in all shapes and sizes!

While DART offers GoLink vans like the one pictured, you may also ride in vehicles similar to the ones provided by other rideshare services. Here are a few examples:

Dos maneras para reservar un viaje con GoLink

1. Con la aplicación GoPass®

- Seleccione “Plan” en la aplicación e ingrese su información de ubicación actual y destino deseado. Si GoLink está disponible para su viaje, se mostrará como una opción en los resultados de su planificación.
- Elija GoLink para proceder con su reserva.

2. Llamando al 214-515-7272

- Las reservas se aceptan todos los días, desde las 4:00 a.m. hasta la medianoche.
- Solo se aceptan viajes para el mismo día.
- Para la zona Inland Port Connect, llame al 877-631-5278.

Dos maneras de pagar

Su viaje GoLink está cubierto por una tarifa válida de DART sin contacto comprada mediante una de estas formas de pago:

1. Tarjeta de crédito o débito

2. Tarjeta GoPass® Tap

Para recibir la mejor tarifa, use la aplicación GoPass o una tarjeta GoPass Tap. Puede vincular su tarjeta GoPass Tap a su cuenta GoPass en la aplicación. Al pagar con una tarjeta GoPass Tap, cada pasajero debe tener su propia tarjeta.

GoLink no acepta tarifas en efectivo, pases ni vales impresos a bordo. Los pasajeros que reserven con una tarjeta de crédito o débito con un agente de reservas de GoLink recibirán una tarifa de viaje sencillo de GoLink.

Para obtener información sobre los tipos de tarifas disponibles, visite **DART.org/fares**.

¡Los vehículos GoLink vienen en todas las formas y tamaños!

Si bien DART ofrece camionetas GoLink como la que se muestra en la imagen, también puede viajar en vehículos similares a los que brindan otros servicios de viaje compartido. Aquí están algunos ejemplos:

Five Keys to a Smooth Ride

All trips require an advance booking. No walk-ons allowed.

If you need an ADA-accessible vehicle, be sure to request it when booking.

Children ages 12 and under must be accompanied by an adult with a valid fare.

Be ready. Vehicles depart briefly after arriving at the pick-up point.

Need to cancel a trip? Be sure to do so before the vehicle arrives, either via the app or by calling 214-515-7272. For the Inland Port Connect zone, cancel by calling 877-631-5278.

Cinco claves para un viaje placentero

Todos los viajes requieren reserva. No se permiten pasajeros de último momento.

Si necesita un vehículo accesible según la ADA, asegúrese de solicitarlo al hacer la reserva.

Los niños de 12 años o menores deben estar acompañados por un adulto con una tarifa válida.

Esté listo. Los vehículos parten poco después de llegar al punto de recogida.

¿Necesita cancelar un viaje? Asegúrese de hacerlo antes de que llegue el vehículo, ya sea a través de la aplicación o llamando al 214-515-7272. Para la zona Inland Port Connect, cancele llamando al 877-631-5278.

How can you get started with GoLink?

Here are a couple of examples to explain how the service works.

With the GoPass® app

Anthony needs a ride to a DART Rail station. By using the trip-planning feature in the GoPass app, he sees he can get there on GoLink and a vehicle can drop him off at the station in 18 minutes. His fare would already be covered by the day pass he purchased and activated in the app earlier that day, so he's all set.

Over the Phone

Maria wants to meet her friend for lunch, but she needs a ride from her apartment. Since she does not have the GoPass app, she calls 214-515-7272 (or 877-631-5278 in the Inland Port Connect zone) to book her trip and purchase her DART fare over the phone. The GoLink booking agent tells her she can pay with a credit card, a debit card or a GoPass Tap card. Maria chooses to pay with her GoPass Tap card. The representative then books her GoLink trip and informs her that a vehicle will arrive in 10 minutes.

Opt into GoLink's Expanded Vehicle Fleet

GoLink now includes Uber vehicles as part of its service lineup. To take advantage of the expanded service, you simply need to opt-in and agree to the terms of service. DART will automatically match you with the best available option each time you request a GoLink ride, whether that means a GoLink van, a GoLink taxi or an Uber vehicle. You pay nothing extra to enjoy this service -- your valid contactless DART fare covers everything.

You have two ways to opt in with Uber:

1. When booking your trip in the GoPass app

2. With a GoLink booking agent at 214-515-7272

¿Cómo empezar a usar GoLink?

Aquí hay un par de ejemplos para explicar cómo funciona el servicio.

Con la aplicación GoPass®

Antonio necesita que lo lleven a una estación de tren DART. Al utilizar la función de planificación de viajes en la aplicación GoPass, ve que puede llegar allí con GoLink y que un vehículo puede dejarlo en la estación en 18 minutos. Su tarifa ya estaría cubierta por el Pase de un Día que compró y activó en la aplicación ese mismo día, por lo que está listo.

Por teléfono

María quiere encontrarse con su amiga para almorzar, pero necesita que la lleven desde su apartamento. Como no tiene la aplicación GoPass, llama al 214-515-7272 (o al 877-631-5278 en la zona Inland Port Connect) para reservar su viaje y comprar su tarifa DART por teléfono. El agente de reservas de GoLink le dice que puede pagar con una tarjeta de crédito, una tarjeta de débito o una tarjeta GoPass Tap. María elige pagar con su tarjeta GoPass Tap. Luego, el representante reserva su viaje GoLink y le informa que llegará un vehículo en 10 minutos.

Opte por la flota de vehículos expandida de GoLink.

GoLink ahora incluye vehículos de Uber como parte de su servicio. Para aprovechar el servicio expandido, simplemente debe optar por este y aceptar los términos del servicio. DART lo emparejará automáticamente con la mejor opción disponible cada vez que solicites un viaje GoLink, ya sea una camioneta GoLink, un taxi GoLink o un vehículo Uber. Usted no debe pagar nada adicional para disfrutar de este servicio. Su tarifa de DART sin contacto cubre todo.

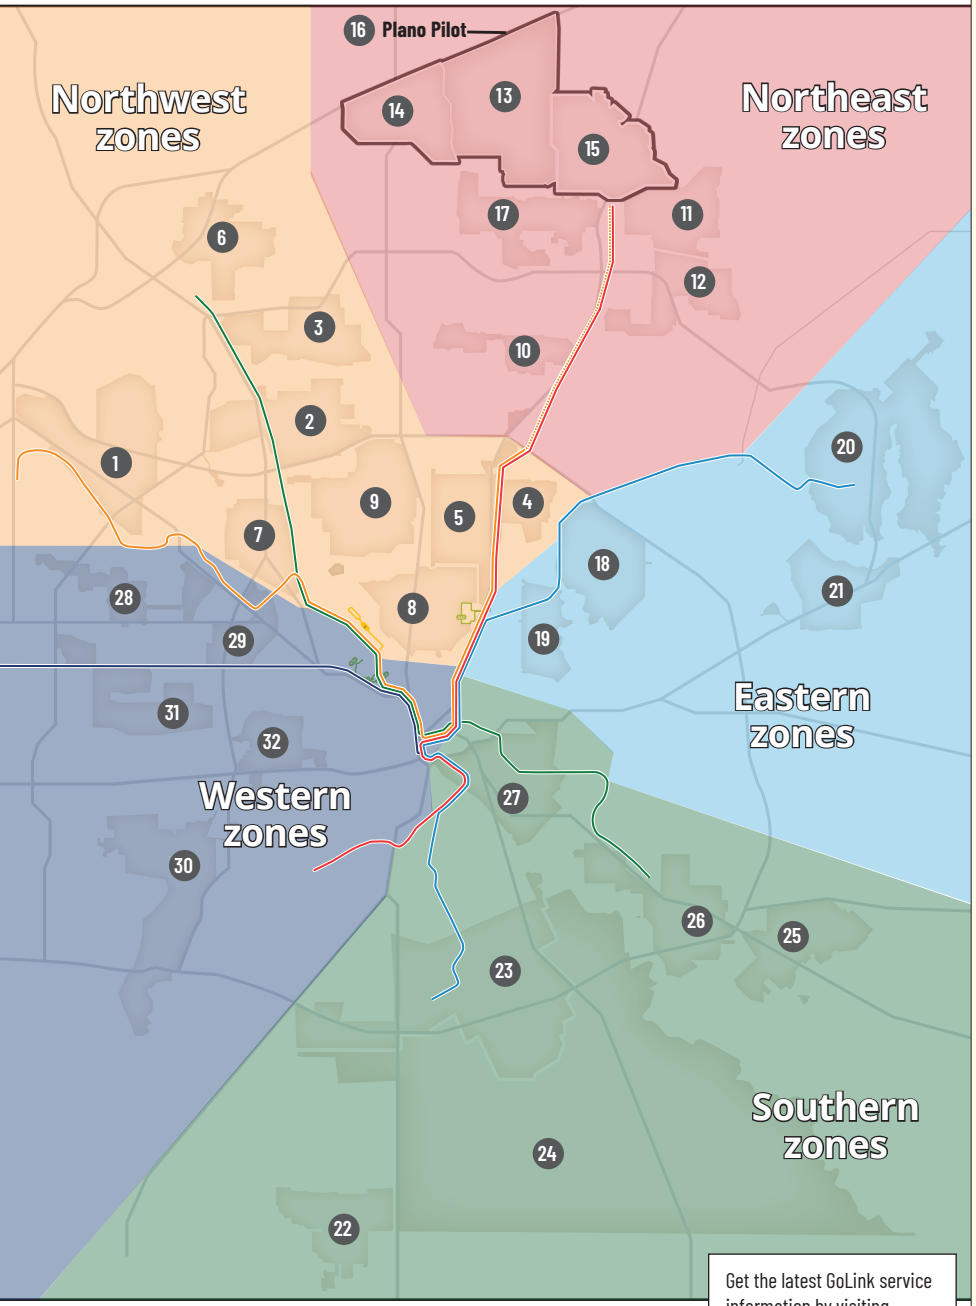

Tiene dos maneras de optar por Uber:

1. Al reservar su viaje en la aplicación GoPass.

2. Con un agente de reservas de GoLink llamando al 214-515-7272.
