Service Anticipated
Late 2025 to early 2026

Station Facts

The DFW Airport North Station provides service to the TEXRail commuter rail, which transports passengers through Tarrant County into downtown Fort Worth. The station features over 300 parking spaces and Trinity Metro bus connections. It is the last public rail access point before entering DFW airport and is approximately two miles from the historic downtown Grapevine district and five miles from the popular Airport Southlake Town Square entertainment and shopping area.

Projected travel time

4 min. to DFW Airport Terminal B
56 min. to Shiloh Road Station in Plano
